**Thursday, Feb. 15th, Wayne State University,
Gullen Mall @ 2pm**

- **Trump Must Resign or Be Removed!**
- **Keep Alt-Right Fascists OFF Our Campus!**
- **Make Wayne State a Sanctuary Campus for Immigrants!**
- **Defend DACA & TPS; Full Citizenship for All Immigrants!**
- **Pass the Federal DREAM ACT NOW!**
- **Free Iraqi Refugees and All Immigrants from Detention NOW; Stop Deportations!**

On Tuesday, fascist white supremacist WSU student “Earl Johnson” (pseudonym) came up to BAMN’s organizing table at State Hall and pulled out a knife on BAMN organizers, calling to “deport and kill all illegals.” This was not our first encounter with him; days prior on two occasions he had passed by our table and yelled “Make America Great Again” and “Build The Wall, Kill Them All.”

We took video of the knife incident, and posted it on our Wayne State BAMN page on Facebook, to warn the campus community of this threat, and to make it clear that Alt-Right fascists, who have been emboldened by Trump, do not belong on our campus or in our city. The support has been overwhelming, with hundreds of people sharing the video. It’s clear the campus community is ready to call-out and expose racist, white supremacist, immigrant bashing, alt-right neo-Nazis. WE MUST KEEP EACH OTHER SAFE.

BAMN is calling for an emergency rally and march today at 2 @ Gullen Mall to keep alt-right fascist “Earl Johnson” and all other alt-right fascists off our campus, and to make Wayne State a Sanctuary Campus, Defend DACA/TPS and Free All Iraqi Refugees.

We have learned that “Earl Johnson” has been suspended, but that isn’t enough. He needs to be expelled. The alt-right has made their intentions clear. In Charlottesville this past summer, they came prepared to attack and kill, and on that day they succeeded by killing Heather Heyer. In Sacramento the summer of 2016, neo-Nazis stabbed multiple anti-fascist at the state Capitol, while police stood by and watched. The threat is real. We are, literally, fighting for our lives. Here, at Wayne State, “Earl Johnson’s” actions make this absolutely clear. We know that the only way to back them off, is to get Trump out of office- he must resign or be removed NOW.

Last year, Wayne State has some of the biggest marches against Trump. On November 9th, the day after the election, students and community members from the Detroit area started marching at Wayne State and continued through downtown, chanting TRUMP MUST GO BY ANY MEANS NECESSARY. This is the kind of mass militant action we must take again, to back off those alt-right, white supremacist, neo-Nazis who have only been emboldened by Trump- on our campus and across the nation.

As we continue to build the new civil rights/immigrant rights movement on this campus and around the country, we will not be deterred by the racist, white supremacist, immigrant bashing, alt-right neo-Nazis who have been emboldened by Trump. JOIN BAMN, We fight to win!
